Equalities and Experience Reference Group (EERG) meeting

The EERG meeting will take place

Tuesday 30 April 2019, 1pm to 4.30pm

Wigan Life Centre South | College Avenue | Wigan | WN1 1NJ

(during the first half hour, there will be an opportunity to catch up, with light refreshments)

The Equalities and Experience Reference Group (EERG) supports the work of the Bolton, Salford and Wigan Partnership (BSWP) to make sure that people from Bolton, Salford and Wigan are able to contribute their experiences and have their say on transformation proposals, particularly in relation to access and equality.

Meetings focus on the equality implementation conditions laid out in the 'Healthier Together' recommendations. This meeting will look transition, including communication and training.

The BSWP is all about NHS organisations in the north-west sector of Greater Manchester working together to make sure that specific areas of hospital care are the best they can be. It needs to make changes to the way services are currently provided to make sure that NHS services in the sector are equitable, safe and sustainable for future generations.
