CCG Executive Update

1. Executive Summary

- 1.1 Under the Scheme of Reservation and Delegation - Appendix D of the NHS Bolton CCG Constitution a number of decisions are delegated to the CCG Executive.
- 1.2 Where these decisions are of an operational, financial or reputational matter, they will be reported to the Board within this CCG Executive Update, unless reported to the Board via another route.
- 1.3 Decisions from 7th to 28th April 2021, not provided in other Board papers, are contained within this report. As this is the period of the level 4 emergency, specific decision making and funding arrangements are in place for Covid-19.

2. CQRS Local Delay

- 2.1 The report outlined the proposed transition from the current GP Primary Care Local Commissioned Services (LCS) manual claim process to the CQRS Claim Management System. Approval was requested to the next step for a local arrangement as part of an early adopter for a more streamlined process for invoicing mechanisms.
- 2.2 Feedback has been sought with practice managers indicating that this is a reasonable way forward and from a financial perspective this would be a more efficient process.
- 2.3 The Executive approved the progression to transition.

3. Recommendations

- 3.1 The Board is asked to note the content of this paper.
