INTRODUCTION

Bolton CCG recognise the valued contribution made by its long serving employees and therefore wishes to give a token of its gratitude on them reaching 25 years service with the NHS.

LONG SERVICE – DEFINITION

All staff employed by Bolton CCG who have 25 or more years aggregated service within the NHS.

Only service where the individual employee was employed by the NHS will count towards the award. Therefore, for example, service gained within a GP practice will not count where employment was via the GP Practice.

An invitation to apply for the award will be communicated to all staff within the organisation via the weekly staff e-bulletin.

1 LONG SERVICE – THE AWARD

Staff who qualify for an award receive a net payment of £200, which is paid directly into their salary.

Staff will also receive a certificate which commemorates that they have worked in the NHS for 25 years or more.

2 LONG SERVICE – RESPONSIBILITIES

The Line Manager is responsible for ensuring that each applicant's service is verified and confirmed (support can be requested from the HR Provider) and to inform Payroll accordingly.

The Payroll provider is responsible for payment of the award to staff in their salary.

3 Appendix 1
